# Avenir Accessories

**Welcome to Talking Accessories, an accessory guide specifically tailored to the needs and demands of the business customer.**

It's simply not possible to list every single accessory from our range so we have focused on best sellers, recommendations, innovation and a couple of fantastic promotions.

Our range is vast and covers all the major manufacturer brands across all accessory categories. If you are looking for a specific product that is not listed in our guide or simply advice on accessory products then please do not hesitate to contact us.

Avenir Accessories exclusively represents the following brands for the UK Mobile Channel:

The logo for Energizer, featuring the brand name in a stylized, italicized font with a registered trademark symbol.The logo for BeeWi, consisting of a pink hexagon icon followed by the text 'BeeWi' and the tagline 'Simply wireless' below it.The logo for PAT SAYS NOW, with the words stacked vertically in a bold, pink, sans-serif font.The logo for OZAKI, featuring the name in white capital letters inside a pink circle, with a woman's face partially visible below the circle.The logo for iSkin, with the brand name in a bold, black, sans-serif font.The logo for speck, featuring an orange asterisk icon followed by the brand name in a grey, lowercase, sans-serif font.The logo for moshi, with the brand name in a green, lowercase, sans-serif font.The logo for Bling My Thing, featuring a gold star inside a gold circle, with the brand name in a gold, cursive font below it.The logo for TREXTA, with the brand name in a grey, uppercase, sans-serif font, and a red curved line above the letters 'E' and 'X'.
